

Salisbury MD – DE Metropolitan Statistical Area (MSA)

MSA Overview

The Salisbury MD – DE Metropolitan Statistical Area (MSA) is one of the fastest growing MSA's in the nation. Nestled between major metropolitan areas of Washington D.C., Baltimore, Philadelphia, Wilmington and Norfolk, the area is home to Maryland's second largest airport and port, top notch universities and colleges, highly rated medical

centers and a lifestyle second to none. Key industry sectors of agriculture and agribusiness, health care, higher education, advanced manufacturing and tourism provide economic stability and job opportunities to the 400,000+ people calling this area home.
